Dusk to Dawn Automatic

Halogen PAR 38 Flood
130V E26 90W

Built in Photo Cell

23790

You can cut energy costs up to 40%,
get improved whiter, brighter light,
and use the lamp for :

- > Outdoor security lighting
- > Driveways
- > Walkways
- > Landscape lighting

Average lamp life is 3,000 + hours

Stop the Sticking

Special lubricant prevents bulbs,
fuses & batteries from
sticking in sockets.

A new product that solves
an old problem

23658

Non-toxic.
Prevents corrosion
Use with any style bulb or fuse.
Prevents oxidation & electrolysis.
Not recommended for halogens.

28 HID Ballast Kits & Tester

Kit varies with ballast type, included are: ballast, capacitor, ignitor, bracket, and hardware. Every kit is individually factory tested for quality assurance. Pre-wired capacitor is designed for 60,000 hours of continuous life. Precision wound coils assure even heat dissipation and high electrical integrity. All ballasts are multi-tap 120/208/240/277V. Other ballasts are available on special request.

METAL HALIDE KITS

- 10794 - 50W
